What is Going On Tonight.

Willimantic Lodge, No. 11, meets at 140
Valley street.
Knights of Columbus, San Jose
Council, No. 14, meets at 751 Main
street.
Royal Arcanum, Willimantic Council,
No. 723, meets at 702 Main street.
Olive Branch Council, No. 10, R. and

At a meeting Monday morning of
officials of the American Thread com-
pany with members of the grievance
committee and representatives of the
Box Shop Local Union, held in the
office of the company, matters were
talked over in connection with the
recent labor difficulties in the box shop
and the matter was settled to the en-
tire satisfaction of employers and
employees. It is under the company
granted the demands of the employes
in agreeing to re-instate all the dis-
charged employes, of which there were
about fifty, and they will resume their
work this (Tuesday) morning.

Willimantic citizens and merchants
in general are glad to know that the
crop of city ice has been sold at what
is considered a good fair price, viz:
\$1.30 a ton. While the contract has not
yet been signed, the ice was bought
Monday morning by Merrill H. Jones
of this city at a meeting of the water
committee, with Mayor Gates and
Councilman William A. King in the lat-
ter's office. Under the terms of the
contract, the ice shall not be disposed
of for more than 45 cents a hundred
pounds; furthermore the ice is to be
hauled in a manner subject to the
approval and satisfaction of the wa-
ter committee. While the ice crop
the past season was as large as
hoped for, still there was a good supply
of good quality ice put in and the
citizens and merchants of Willimantic
may feel comparatively regarding the ice
situation. The water committee, con-
sidered with conditions in other cities
throughout the state, where prices will be a dol-
lar or more per hundred pounds the
coming season. A number of cities
have no ice crop at all. A committee
of members of the American Thread
company was in New Haven Monday,
looking over the ice plants in that city
and the members are expected to visit
Willimantic in connection with the
municipal ice plant. Barring an
extremely long, hot summer, Will-
imantic can get by with its present
crop of ice, if it is used with care and
economy.

Although no definite figures were
given out to Monday night as to
the amount of Fifth Liberty loan
bonds sold in Willimantic during the
day, the canvassers met with success
in all quarters and are much encour-
aged over the results in the first day
of the campaign. The Liberty cam-
paign was opened Monday
from 2 to 4 p. m. for the purpose of
receiving subscriptions. It is planned
to have it open every afternoon dur-
ing the campaign in charge of some
member of the Woman's Liberty loan
committee, whose members are: Mrs.
R. H. Weston, chairman; Mrs. D. E.
Taylor, Mrs. Frank Penick, Mrs. John
Reilly, Mrs. D. E. Abel, Mrs. C. C.

Willimantic people have gone over
the top again; not in connection with
the Fifth Liberty loan or Relief for
the Near East, but in connection with
the campaign of parish members of
St. Paul's Episcopal church. The drive
for a fund of \$2000 was started last
February 1, the money to be used for
installing a new heating plant in the
church and parish house; also for a
modern ventilating system for the
church; all these improvements hav-
ing been needed for some time. The
conditions under which the campaign
started was that members of the parish
would raise \$1000 while the rector
would raise the other thousand. It
was announced at the Easter services
that the money in both instances had
been raised, which fact was most grat-
ifying to the congregation. The rector
also announced that he intended to
obtain another thousand dollars,
which will soon be needed in connec-
tion with the parish work and he was
very optimistic of success. The East-
er offering amounted to over \$250.
A request by the rector for at least
\$300 for needs of the church.

In the police court Monday morning
these cases were disposed of by Judge
Frank H. Post: John Sailer, charged
with intoxication, pleaded guilty to in-
charge, and a fine of \$1 and costs,
amounting in all to \$3.50 was imposed
and paid. Austin Smith, Worth Smith
and Homer Peckham, the latter a dis-
charged soldier, recently returned
from France, were before the court on
charges of intoxication and breach of
the peace. The three were the prin-
cipals in the roughhouse melee which
took place in the home of the first
mentioned in Stone Row late Satur-
day afternoon. The testimony of
Chief Killourey and Lieut. Allan Mc-
Arthur, who made the arrests, tended
to convict the men on charges prefer-
red against them, notwithstanding a
lot of contradictory evidence in the
stories told by the accused. Fines to
the amount of \$15.00 in each case were
imposed. Austin Smith paid his fine.
Worth Smith, his brother, who lives
in Bridgeport and came here to visit
the former, is being held at the police
station until funds arrive from that
city, with which to pay his fine.
Peckham was unable to settle and
was taken to the Brooklyn jail. He
received a bad scalp wound during the
crack. The case of Timothy Sullivan,
charged with breaking and entering,
to which charge he pleaded guilty,
was disposed of in the following man-
ner. Sullivan was bound over to the
next criminal term of the superior
court under bonds of \$500, which he
was unable to furnish and he was
taken to the Brooklyn jail to await
his trial.

The 10th annual social and dance
given by San Jose Council, No. 14, K.
of C., was held Monday evening in the
town hall and as in former years,
was very successful in every way.
There was a large attendance and the
program of dancing satisfied every-
one. During the intermission refresh-
ments consisting of cake, ice cream
and soda were enjoyed. A short con-
cert by the Hickey-Helmold orchestra
preceded the dancing. The committee
in charge was composed of these
members of San Jose council: Harry
Lester, chairman, Gilbert Flynn, Wil-
liam Grady, Arthur Ashton and Wil-
liam Jennings.

The marriage of Everett L. Rich-
mond and Miss Veronica Hobert was
celebrated Monday morning at 9 o'clock
in the rectory of St. Mary's
church by the pastor, Rev. Joseph J.
Aulton. The bride was best man
and Miss Emma Richmond was the
bridesmaid. Following the ceremony,
a breakfast was served at the home
of the bride's parents, Mr. and Mrs.
Hobert of 15 Milk street, to a num-
ber of friends. The bride received a num-
ber of useful and handsome presents.
Mr. and Mrs. Richmond are to spend
their honeymoon at Ludlow, Mass.,
and will make their home in Will-
imantic, where the groom is employed
by the American Thread company.
Both have many friends in this city
who wish them every success in their
married life.

A class of several candidates was
given the first and second degrees at
the weekly meeting of Natchaug
Lodge, No. 22, Knights of Pythias, on
Monday night.

No trace of the body of the boy, Isa-
ac Asenod, drowned in the Will-
imantic river last Thursday, had been
discovered up to a late hour Monday
night. It is the general opinion of
people here that the body will not be
located until it rises to the surface.
Persistent search has been kept up
but without result.

covered carton. We strongly recom-
mend this carton for the home
or office supply as when unopened.

They Win You On Quality!

Your enjoyment of Camels will be very great
because their refreshing flavor and fragrance
and mellowness is so enticingly different. You
never tasted such a cigarette! Bite is elimi-
nated and there is a cheerful absence of any
unpleasant cigarette after-taste or any un-
pleasant cigarette odor!

Turkish and choice Domestic tobaccos and are
smooth and mild, but have that desirable full-
body and certainly hand out satisfaction in
generous measure. You will prefer this Camel
blend to either kind of tobacco smoked straight!

Give Camels the stiffest tryout, then
compare them with any cigarette in
the world at any price for quality,
flavor, satisfaction. No matter
how liberally you smoke
Camels they will not tire
your taste!
